## We're Closed

February 16

## NEW @ FPL Shushbooth

Internet,  
Power, and  
PRIVACY

For those who do business with clients in public areas, this booth provides the security of not being overheard by people around. It's also perfect for study groups.

Saturday, February 21  
10 - 11am  
Ages Birth - 3

A child's brain undergoes an amazing period of development from birth to age three - producing more than a million neural connections each second.

**Come and stimulate your child's brain through hands-on play.**

Presented by Parents as Teachers
