**City Ordinance for Number of Animals Allowed**

Section 205.050 Number, Type of Animals Allowed/Not Allowed.

[R.O. 2009 §6-25; Ord. No. 3420 Art. 4 §2, 5-12-2004; Ord. No. 4066 §I, 8-22-2012]

**A.** No residential structure or lot shall house or contain more than four (4) units as defined here: A dog or cat or ferret over four (4) months of age shall constitute one (1) unit. Five (5) rabbits, chinchillas, guinea pigs, hamsters, mice or other rodents over age three (3) months or any combination thereof shall constitute one (1) unit. Two (2) snakes or other reptiles constitute one (1) unit. Two (2) birds or fowl is the same as one (1) unit.

**B.** But never more than three (3) dogs and/or three (3) cats over the age of four (4) months shall be allowed at any one (1) residence. Keeping more animals than what is described in this Section constitutes a kennel. Residents should verify, with the Building Department, that they are in a zone which allows kennel.

**C.** No animal defined as exotic, wildlife, poultry or livestock in this Chapter shall be permitted to be owned or harbored by any individual in City limits, except in the form of a circus or other event where a special permit has been issued by the City.

**D.** A single-family lot with a minimum size of one-half (½) acre may house up to four (4) chickens with a valid permit issued by Animal Control.

***I understand the above City of Festus Ordinance***
